

# Farm animal finger puppet

1

Download the template

2

Print the template on to thick paper or card

3

Cut out the main body, connector tab, head and other parts from the template

4

Apply glue to the grey area on the main body and roll to create a tube

7

Glue and fix the head on to the front of the puppet using the connector tab as a guide

5

Apply glue to the grey area on the connector tab and stick to the INSIDE of the body tube

8

Position and glue the body on to the puppet

6

Fold along the dotted line on the animal face then glue and roll to create the head

9

Position and glue the arms, legs and ears on to the puppet
