

KEENO Farm Song

KEENO is exploring the farm today
He's meeting all the animals to learn what they say
He wants to find out how they all say hello
He's really excited and ready to go!

KEENO wags and woofs as he learns something new
He wants to start wagging and woofing with you
Reading is awesome and learning is fun
Let's get wagging and woofing till the story is done

The farmer on his tractor is sitting nice and tall
Two kittens in the farmyard are playing with a ball
Hello says the farmer
The kittens say meeeeeeow
KEENO wags and woofs - exploring the farm

Three ducks in the pond are learning to swim
Four horses in the field are running to stay trim
Quack quack say the ducks
The horses say naaaaaay
KEENO wags and woofs - exploring the farm

Five cows eating grass and chewing the cud
Six pigs getting dirty rolling in the mud
Mooooo say the cows
The pigs say grunt grunt
KEENO wags and woofs - exploring the farm

Seven sheep nice and calm resting by a tree
Eight chickens laying eggs and busy running free
Baaaaaa say the sheep
The chickens say cluck cluck
KEENO wags and woofs - exploring the farm

Nine rabbits having fun and playing in the sun
Ten mice snuggled in the hay and snoring as one
Snuff snuff say the rabbits
The mice say squeeeeeak
KEENO wags and woofs – exploring the farm

KEENO explored the farm today
He met all the animals and learned what they say
He wagged and he woofed as they all said hello
And he counted to 10

Are you ready?
Let's go!
